# RESTAURANT CONSTRUCTION

LET WOLVERINE MANAGE  
 THE DETAILS OF YOUR NEXT  
 RESTAURANT PROJECT, SO YOU  
 DON'T HAVE TO.

**Wolverine Building Group** established in 1939, is a full-service general contracting and program management firm with extensive experience in a variety of restaurant construction and food services projects.

We specialize in new construction, renovation, and maintenance needs for any size restaurant project, including fast food, fast casual, fine dining, cafeterias, and anything in between. Our team has national capabilities, serving many clients with fast track construction services across several states.

**WE PROVIDE A COMPLETE ARRAY OF PROJECT SERVICES:**

- Design Support
- Constructability Analysis
- Value Engineering
- Logistics Planning
- Tenant Finishing
- Construction Supervision
- Maintenance Program
- Nationwide Capabilities

*“We are very pleased with the renovation of our meeting center and banquet facility. I am constantly receiving positive comments from both our members and staff. I was very happy with Wolverine’s professionalism, coordination, and quality of workmanship. They went above and beyond to complete the work on schedule and within budget.”*

Cindi Poll, Club Manager  
University Club

*“Your team jumped in with both feet to keep all the franchisees informed and happy despite the level of disruption to their business.”*

Scott Powlus  
Michigan Regional Construction Manager  
McDonald’s USA, LLC

**TACKLING TIME CONSTRAINTS**

We understand the importance of completing every project in minimal time to maximize sales for the owner. We work with our clients to identify a project’s critical path tasks and establish a schedule that focuses on getting operations up and running as soon as possible.

**MANAGING YOUR MULTISITE ROLL-OUT PROGRAMS**

Wolverine has a dedicated team of experienced project and program managers that can offer support for both regional and national rollout programs. We have developed a total administrative and construction process especially suited to the demands of today’s restaurant market. Wolverine will ensure your rollout projects are organized and on track – as well as guaranteeing that final implementation is complete, correct and brand-appropriate.

**WE GO WHERE YOU GO**

Wolverine not only has the manpower but the strong team communication expertise to manage multiple site locations concurrently. Our team has experience working over several states across the nation for our clients. We specialize in the latest technology in building to deliver construction contracts in unprecedented time and superior quality no matter where the project.

**ON TIME ON BUDGET**

We approach your projects with the minimization of cost and delivery time in mind. Our team of experts will closely work with you to achieve maximum levels of efficiency and cost controls.
