

FOR IMMEDIATE RELEASE

ALDI Opens in Cascade Township

Cascade Township, MI – (Sept 20, 2010) Wolverine Building Group is pleased to announce the completion of ALDI in the Waterfall Shoppes at 5114 - 28th Street. The project included the remodel of a previous Fresh Market into the discount grocery, ALDI.

The fast track remodel included building a new façade, and the replacement of wall and floor coverings in a large 20,000 square foot layout with high ceilings. ALDI's new store layout features an expanding cooler/freezer area, a larger selection of products, and an updated look to create an enjoyable shopping atmosphere.

ALDI opened their doors last week Friday, and will continue to celebrate their Grand Opening this week.
