### **Wolverine Building Inc. Visits the Carolinas**

Myrtle Beach, SC (April 25, 2008) - Wolverine Building Inc. has ventured out of State to introduce the energetic restaurant Red Robin to the family fun shore of Myrtle Beach, South Carolina. Red Robin International hired Wolverine Building Inc. for this fast track job to renovate the former Smokey Bones Restaurant into the exuberant atmosphere of growing Red Robin chain.

Plans are also in progress to build an additional Red Robin in the military town of Jacksonville, North Carolina. Wolverine Building Inc. will be constructing the new restaurant inside a vacant space in Jacksonville Mall, the only regional mall within a fifty mile radius in the growing area. Red Robin will be a perfect fit for a day at the mall with a nearby theater and many stylish shops. Construction is proposed to be complete by July 20th.

Demolition for the Myrtle Beach Red Robin is finished, and remodeling for the 7,000 square foot project is swiftly ongoing. The plans are set to complete by June 20th. The goal is to open the restaurant during the busy summer season on the popular sunny vacation spot of Myrtle Beach.

According to project manager, Dulane Coval, "My hope is for this to be the start of an exciting fast-paced partnership, my goal is to build a strong long term relationship with this expanding nationwide establishment."

Wolverine Building, Inc. is a full-service general contractor with more than 65 years of experience providing exceptional construction services to industrial and commercial clients throughout West and Central Michigan as well as.
