

Fryling Completes Construction on Stadium District

Lansing, MI (April 22, 2008) – The Gillespie Group welcomes you to join them in their charity Grand Opening of The Stadium District. The celebration will be this Thursday, April 24 from 4:00 to 7:00pm to benefit Volunteers of America. The event will include photos with Big Lug and Sparty, the sound of Rum Runners Dueling Pianos, and the taste of Troppo. Condos and apartments will also be available for viewing. For more information about reserving your ticket, please see attached invite or go online to www.crosstownshowdown.net.

The Stadium District is the new addition on Michigan Avenue that will surely grab your attention. The 385 foot-long and 100,000 square-foot development has our State’s capitol in view and Oldsmobile Park directly across the street. Fryling Construction and developer, Gillespie Group are proud to announce the completion of the multi-use building that will welcome more to fun downtown living.

Stadium District is a four-story retail and residential development. The design/build steel building will attract persons of all ages and income levels with the mix of office, retail, condos, and apartments. Over 50 units will be available in a wide variety of square footage, design, and layout. Tenants are currently moving in.

The retail section on the first floor will be welcoming a new Fifth Third Branch, BriarWood Realty, and Great Lakes Chocolate & Coffee Co. to downtown Lansing. There are still four open spaces for potential restaurants, retail shops, or offices. The Lansing Chamber of Commerce shares the second floor with apartment units. There are a total of 30 apartment units available on the second and third floors, while the fourth floor will house 20 condominium units.

According to, Fryling Project Manager, Jon Laureto “ I am proud to be a part of the Stadium District construction which will hopefully be the catalyst to transform Downtown Lansing into a living and entertainment destination.”

Fryling Construction, a division of Wolverine Building Group, is a Grand Rapids-based general contractor with more than 60 years of experience in the construction industry. Serving clients throughout Western and Central Michigan, Fryling specializes in the construction of multi-unit facilities including apartments, condominiums, mixed-use buildings and senior housing.
